

## MAXI-56 WiFi

Universal, automatic tyre-changer for truck, bus, agricultural and construction machinery.

The plate and claw of the working tool is moved and rotated automatically.

Wireless control panel and four-points mounting bracket with 2-speed rotation ensure very comfortable work.

## Technical Data

Clamping capacity	14"-46" (po zastosowaniu przedłużek 56")
Max. wheel width	1300 mm
Max. wheel diameter	2400 mm
Bead-breaker pressure force	2500 kg
Maximum wheel weight	1800 kg
Pressure	130 bar
Table rotation speed	6/12 obr./min.
Electric supply	3 x 400V / 50Hz
Motor power	2,6 kW
Pump motor power	2,2 kW
Weight	1048 kg
Wheel clamp	Hydrauliczny
Dimensions	1430/860/1550
